

# Ascot Nursery School

## Equal Opportunities Policy

Ascot Nursery School believes that no child, individual or family should be excluded from the Nursery activities on the grounds of;

- Age
- Gender
- Sexual orientation
- Class
- Family status
- Means
- Special needs and disability
- Colour
- Ethnic origin
- Culture
- Religion or belief

Our aim is to ensure that all who wish to work in the Nursery have an equal chance to do so but with the safety of the pupils as paramount and within the constraints of the building.

We aim to show respectful awareness of all major events in the lives of the children and families in our Nursery and in our society.

We aim to acknowledge all major festivals that are celebrated in our area or by the families within our group. Children are encouraged to understand these festivals through stories, celebrations, special food and clothing.
